

Sandro Cortese and Intact – reliable in any situation

The world championship title in the 125 ccm MotoGP – this is Sandro Cortese's goal for this year and our Intact Bike-Power motorcycle batteries will be fully behind him in his ambitious project.

Ambitious goals, strong sponsor: Intact has been sponsoring the successful motorcycle rider in pursuing his goals for five years now. As of this season, the company Keckeisen is now the main sponsor of the team around Sandro Cortese with its Intact Battery-Power brand.

The Intact Bike-Power Gel series is our top quality product among motorcycle batteries.

We specially developed this series for the latest motorcycles equipped with a variety of electrical loads and ABS. By combining the fibre separators and the electrolyte set in gel, we achieved an

improved starting performance (up to 30% better performance compared to traditional motorcycle batteries).

Approximately 90% of all common motorcycle batteries are covered by more than 35 different battery types. Furthermore, the low self-discharge and outstanding shock resistance of the batteries are impressive.
