

# SELENIA PRO-ACTION 4T Cod. 1058

## DESCRIPTION

HIGHEST PERFORMANCE lubricant, formulated entirely with synthetic base oils, specifically for all bikes equipped with 4 stroke engines of any type, make and power rating that used leaded or unleaded fuel.

## CHARACTERISTICS

SELENIA PRO ACTION 4T has been developed through Selenia's experience with four stroke racing bikes.

SELENIA PRO ACTION 4T excels in racing use and other extreme operating conditions:

- reducing friction;
- enhancing the maximum protection against wear of all mechanical components (engine-gears-clutch...);
- promoting easier gear changes;
- reducing oil consumption.

## ADVICE ON USE

Oil changes should be made in accordance with the Manufacturers handbook recommendations.

## RECOMMENDED BY

Benelli

## TECHNICAL DATA

SAE 10W-50, API SJ, JASO MA2
